How do I know which eBook my child should read?

Your child's teacher will tell them which level they are working on. Your child can then read any of the eBooks at that level.

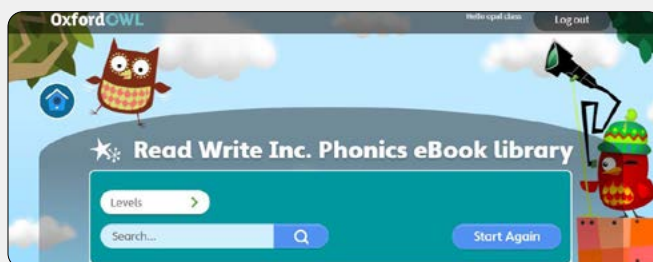

Alternatively, your child's teacher may specify an exact title.

How do I find the right eBook or level?

To find the right level, click on the 'Levels' filter at the top. Choose your level and the eBooks will be filtered so that you only see eBooks at that level.

To find the right title, type it into the 'Search' box at the top, and click 'go'.
